Hi Ayn,

Please find attached a copy of BC's letter back to you, in case you don't have an electronic one yet. We are planning to go to BC at the end of March to meet with them on this issue. I would be happy to discuss with you in the next little while what you might want us to know before going.

Steve

Hello Steve and Morgan,

Attached, please find the response from B.C. to the EPA letter sent on February 4th re Teck's IPA and activity in the Elk Valley. I have also attached the original letter from the EPA for ease of reference.

Cheers!
Anna
